Bespoke Development

Equally, pronatour is pleased to offer more individualised climbing experiences, developed with the same climbing specialists. We can add branding and dressing to your existing themes, or conceive a brand new storyline for your project, together with pronatour's creative team. Either way, we can bring your unique climbing paradise to life.

Playful Climbing

Whether you are looking for challenging bouldering or fun climbing and motor skill development, pronatour will create a complete package suitable for big or small, experts and beginners. Learn more about our wide product range featuring climbing, parkour, activity and movement and playground experiences.

pronatour Take Climbing Experiences to Another Level...

...and make access to climbing and bouldering possible for all! Be guaranteed to stand out from the crowd by combining our tried and tested expertise with the new line of Boulder products (Small Boulder Shack, Large Boulder Shack, Boulder Adventure Block and Big Boulder Adventure). Use one of the modules from the Boulder range as your starting point for a fixed fee. On request, we can also plan your new climbing, or adventure playground at the same time and conjure up an enthralling storyline to match. In any event, climbing – developed with your target group in mind – is central to your project. Climbing fun knows no boundaries and neither do we!
